

Jane Street Academy of Math and Programming

APPLY TO AMP!

A 5-WEEK SUMMER PROGRAM FOR RECENT HIGH SCHOOL
GRADUATES INTERESTED IN MATH & COMPUTER SCIENCE

APPLICATION DEADLINE:
MARCH 13, 2024

Jane Street's Academy of Math and Programming (AMP) is a five-week summer program for students who are excited to further their studies within math and computer science and want to meet other students who share an intellectual curiosity in these areas.

AMP offers students a rigorous and rewarding STEM curriculum that focuses on topics near and dear to Jane Street, including mathematics, computer programming, data analysis, and game theory.

If you have a love for problem solving, are eager to learn new things, and are intrigued and excited by STEM topics, [this program is for you!](#)

Submit your resume and application at [JANESTREET.COM/AMP](https://janestreet.com/amp) by March 13, 2024.

WHO:

Students graduating from high school in 2024 who have experienced barriers to access within advanced STEM educational experiences

WHEN:

5 weeks during the summer of 2024

WHERE:

New York City

COST:

No-cost program; Jane Street will cover all tuition and fees, travel, housing, and meals

\$5000 SCHOLARSHIP:

Every AMP attendee will receive this award to support future educational opportunities

Please reach out to ACADEMY@JANESTREET.COM with any questions.
